

# BRUSH AND INK WITH RICHARD LIDDICUT

## APRIL - JUNE 2022

### Short Courses in Japanese Ink Painting and Calligraphy

Traditional Japanese calligraphy and many techniques of sumi painting require the practitioner to follow a prescribed choreography of ink, brush, paper, posture and breath. This develops a deeper mindfulness, a refinement of perception and a focussing of one's innate energies. This approach will be complimented with recognition of each student's uniqueness and a chance for them to improvise with brush and ink.
